

“HOW TO GUIDE”

A LITTLE BIT OF LOVELINESS

Bespoke Wedding Stationery

to begin lets start

HERE...

This is our "*How to Guide*" for choosing what you require for your invitations. Remember every wedding is different and unique and every set of requirements for invitations is different for each couple.

We understand when you start to look at invitations there are so many different options out there and it is sometimes very overwhelming and very hard to understand what you need to include in yours.

We have broken this process down into five simple stages.

Our job as stationers is to make things as easy as possible for you and this is the method we follow with all our clients to help them create their beautiful designs.

our five

SIMPLE STAGES

1. REQUIRED QUANTITY

2. INVITATION STYLE

3. GUEST REPLIES

4. ADDITIONAL INFORMATION

5. FINISHING TOUCHES

stage 1

HOW MANY INVITATIONS DO YOU REQUIRE?

Work out your required quantities for your
Invitations by going through your Guest List
and allowing one invite per household.

For Example...

100 Day Guests = 50/60 Invitations

50 Evening Guests = 20/30 Invitations

stage 2

CHOOSE THE STYLE OF INVITATION YOU LIKE!

WE OFFER 6 TYPES OF INVITATIONS

2 CLASSIC LAYOUTS

Classic Invitation

Classic Invitation with Pocketgate

2 PREMIUM LAYOUTS

3 Page Concertina Invitation

4 Page Concertina Invitation

2 DELUXE LAYOUTS

Gatefold Invitation

Pocketfold Invitation

A lot of our couples mix and match the layout options for their invitations.

For Example...

Day Invitations - Gatefold Layout

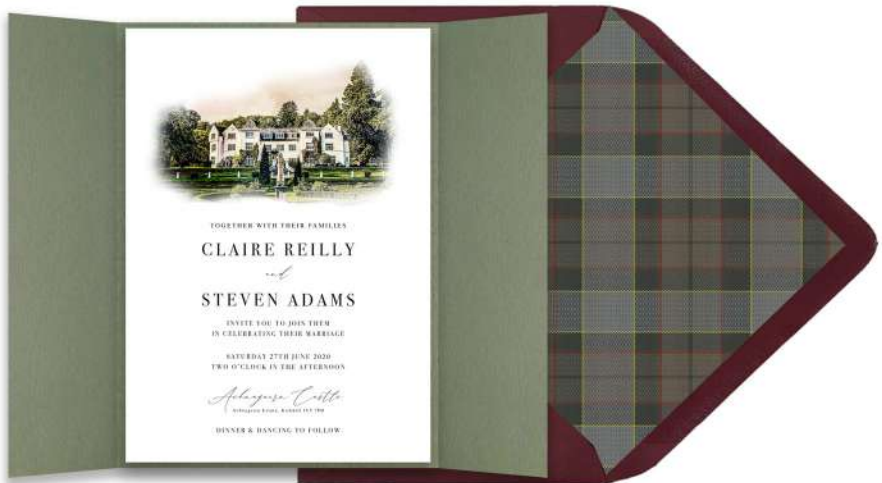

Evening Invitations - Classic Invitation Layout

This is a good way to keep the cost down if you have a tight budget as Evening Invitations never usually require as much information as the Day.

CLASSIC INVITATION

A5 Invitation with a coloured envelope and bespoke liner.

CLASSIC INVITATION WITH POCKETGATE

stage 3

HOW DO YOU WANT YOUR GUESTS TO REPLY?

DO YOU REQUIRE A SEPARATE RSVP CARD?

If you want your guests to reply via post you need our standard RSVP card which comes with a return envelope.

However if you prefer your guests to reply digitally you can have an RSVP without the return envelope which then directs your guests to the required email or wedding website information.

stage 4

DO YOU NEED TO TELL YOUR GUESTS ANY ADDITIONAL INFORMATION?

Think about what information you need to tell your
guests before your big day.

INFORMATION SECTIONS NORMALLY INCLUDE...

Booking Information for the Venue

Travel Directions

Alternative Local Accommodation

Bus Pick Up Points

Gift Information

"Adults Only" Wedding Announcement

Order of Day Timeline

stage 5

CHOOSING THE FINISHING TOUCHES!

The "Optional Extras" are the finishing touches
which you can add to your design to make it
look extra special.

THESE INCLUDE...

Bellybands

Wax Seals
